

Dear New Life Friends,

The Scripture in Philippians 1:6 says, "Being confident of this very thing, that He who has begun a good work in you will complete *it* until the day of Jesus Christ" (NKJV)

This month we are delighted to share with you moments of victory. Pictured here are three proud mothers who are standing with their children at their eighth grade graduation. Several years ago I dare say that these pictures would not have existed had it not been for God's great love and His grace.

All of these moms walked through the doors of New Life Home battling with the baggage of their past. Drugs had enslaved them, peace and joy had been robbed from them, and parenting their children had been nearly impossible. Step by step God began a beautiful work in their hearts and lives. Through the daily classes, times of prayer, counseling and hard work, each mom surrendered her life to the Lord and changes began to emerge.

Many times the transformation process isn't easy. There are mountains to climb and valleys to forge through, but God is present at every juncture. ***He is faithful to complete the good work He started in not only the moms but also, their children.***

It was such a privilege for us to attend this joyous celebration and milestone! We look forward to attending many more as we now have **seventeen children along with their moms in the home!**

As I give God thanks, I am also reminded of those who faithfully support New Life Home. You're financial and prayerful giving allows us to continue ministering to women and their children.

***Summer months are upon us and funds are needed to sustain this vital work!***

Thank you for your investment in these precious lives. May God touch your hearts and bless you immeasurably.

In His love,

*George and Grace Rosado*

*Benjamin and Victoria Adler*

**Thank you!**  
**We are blessed!**
