

Saving Lives. Empowering Women.

Restoration Project

If you appreciate well-made, handcrafted furniture, join us Saturday, September 30 from 10AM to 2PM at 782 River Rd. in Manchester for New Life's first Restoration Project Sale. Since spring, many of our women have been working with a talented guest artist, learning to restore and redesign furniture, converting used pieces into treasures of artistry and craftsmanship. All auction proceeds will benefit New Life Home.

Celebrating a New Home

We're still celebrating our newest property at 2288 Elm St in Manchester, which opened early this summer. With hardwood floors, spacious kitchen, original artwork, a beautiful dining room and cozy back porch, it's the perfect location for our women and children to rebuild their lives. By supporting New Life's Rescue Me Now fundraising initiative, donors like you are helping make this new home possible.

World Magazine

An urgent deadline is approaching. New Life Home is one of five Christian non-profits (domestic and international) nominated for World magazine's 12th Annual Hope Awards for Effective Compassion, with the winner receiving a \$15,000 award. The deadline is Friday, September 1st and your votes determine the winner. Please take a few minutes to read our story and support New Life's mission with your vote.

A Life Transformed

New Life's story is one of women reborn. One shares her powerful journey: "My drug addictions led me to losing everything, including custody of my son. I burnt bridges with my family and ended up being arrested and facing federal prison time. However, God gave me another chance to enter into the New Life Home. When I came to New Life, God met me there in such a personal way. He has given me my son back and rebuilt the broken bridge between my family and I. New Life is a safe place where healing begins."
