challenging game of golf!*

In the early spring of 2010, an energetic group of board members and volunteers took on a fundraising initiative that would have a lasting impact for the next 10 years. The board was looking for a fundraiser that would be enjoyable to run and financially helpful. New Life has always stood on the principle of refusing state aid and federal funds to help run the ministry. That spring, the 1st annual New Life Home golf tournament was planned for the fall. There was much excitement at the prospect of having an event of this scope and there was much prayer for a group that had little experience in hosting a golf tournament.

The months leading up to it were filled with anticipation as the fall date approached. On a warm and sunny September day at Candia Woods Country Club in Candia, NH, 74 golfers gathered for our first golf event. A modest number of sponsors and a lively group of golfers and volunteers gathered in fellowship to support the women and children of New Life. The day was the blessing we had urgently prayed for. The golfers enjoyed a spirited round of golf and then gathered in the dining room for a wonderful luncheon. There, the reason for our efforts unfolded in the testimonies of the women.

In that moment, we knew that the Lord was touching hearts in a new and powerful way. The needs of the ministry were the same, but the setting we found ourselves in was new and wonderful. In that moment, we knew we would do it again the next year. We would need to work harder to raise much needed funds, we would invite even more people to share in this experience. We had stirred something in the hearts of the audience on a day we would never forget.

Incredibly, on June 17th, 2019, we will host our 10th annual fundraising golf tournament. This true labor of love has been blessed many times since that warm September gathering in 2010. The staff, volunteers and women in the program look forward to the date with joy and excitement. The event has grown in scope and the attendance has been amazing each year since. Over 10 years, the funds raised for the ministry have been lifesaving. The fellowship and memories go beyond a simple day of golf. Many golfers and sponsors will be participating in their 10th tournament and each year produces a new group of people committed to support New Life. Below are three ways in which you can help!
